DESCRIPTION OF PROPOSED WORKS

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If wat	
on to land by means of ditches	
is to be stored in reservoirs; it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.	
5. Estimated cost of works \$10,000.00	!
6. Estimated time required to construct works 45 Days	
7. Remarks It is proposed to pump water just prior to irrigation	
into reservoir and to apply water to land only during day light	f
hours thus avoiling any chance of waste of water.
